**BCJFRA** is a member run organization that needs and welcomes participation from all of its members. In order for us to stay in operation and continue to keep our membership prices at a reasonable rate, we all need to put in some time to get the duties done. If we spread the work among many, the work will not break the few. **Participation is essential for the BCJFRA to continue to offer open riding time and events throughout the year.**

### Active vs Inactive

**Active Membership for an individual 15 volunteer hours at BCJFRA Sponsored Events are required and attend 25% of monthly membership meetings from the start of your membership. To be considered an active family member, 20 volunteer**

**hours are required and attend 25% of monthly membership meetings from the start of your membership.** This can be accomplished at any BCJFRA hosted events, work parties or helping with ground maintenance. We will have sign in/out sheets at BCJFRA events for our volunteers and you are able to log hours worked via text/email the club.

Active members will have voting rights at monthly meetings and will receive a partial credit for the following year's membership. Non-active members will not have active voting rights at monthly meetings and will not be eligible for membership refunds.

Individual and Family membership(s) must have been active for 3 months to vote at general membership meetings. The exception to this rule is the election of officers, then active membership for 6 months is required. Active membership status is determined by the Board Members on a quarterly basis. Individual membership shall not have more than 1 vote and Family membership shall not have more than 2 votes. Members must be at least 18 years of age and have an active membership to vote.

**Please select which activities you are able to assist with during the coming year. \***
